

REALSOLUTIONS

THE WAY TO GET YOUR CUSTOMERS TO UNDERSTAND IS
BRING THE LIGHTING SOLUTION TO THEM

ADG Eco Lighting — Mobile Lighting Lab X-ray-5

"We are proud to be the first in an industry that is growing. Red Utility Savings Company Program part of ADG Eco Lighting Products have opted to provide its B2B customers with a solution. Bring the ADG Eco Lighting Products to your customer and lock deals at the site. Samples on hand—no waiting and trade shows look more professional than your competitor. Gives you the ability to respond on demand." CEO Gerald Olesker of ADG

American Lighting Manufacturer Architectural Detail Group, Inc helped developed the only Mobile Lighting Lab High quality light solutions meet the road and bring the high expectation of national retailer.
