# Dealership Fundamentals

UNTAPPED ASSETS ARE HIDDEN IN BUILDINGS..

The experts at ADG ECO Lighting Products have a solution to the *Energy Dilemma*.

**About our leadership,** "... Gerald's work (ADG Eco CEO) in the lighting industry has set the bar very high because his designs as well as his approaches to problem solving are so unique. He's creative, he's powerful, and he is well known in this industry... outside of ... industry, he has, potentially, even more energy. Joel Block Owner , Growth-Logic, Inc.
